

Reynolds Academy

Our ref: RS/EAC

23 April 2021

Dear Parent/Carer

We're counting down to Number Day 2021!

We are delighted to be supporting the NSPCC by taking part in their Number Day on **Friday 7 May 2021**.

Children deserve an equal start in life

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse.

The NSPCC needs our support. By raising money, we can help to fund their vital services like Childline – the helpline that's always there for children and young people whatever their problem or concern.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

On **Friday 7 May** we will be taking part in *Dress up for Digits* and children will be invited to wear an item of clothing with a number on it (sports shirt, cap, onesies or, even better, something that the children have made themselves!). Individual classes will be sending out their own letters with further information. To help raise money for the NSPCC, we are asking for a suggested donation of £1, and we'd love everyone in the school to take part in this special event. We will be using fun curriculum-based maths challenges designed by the NSPCC and Oxford University Press and a whole school number challenge.

It all adds up

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Reynolds Academy will make an enormous difference to children today and help change the lives of children tomorrow.

Yours faithfully

Mrs R Scott
Principal
